# **General Notes**

- 1 Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this Notice.
- 2 To be valid any proxy form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Neville Registrars Limited, Neville House, Steelpark Road, Halesowen, B62 8HD not later than 48 hours before the time of the meeting.
- 3 The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraph 6 below) will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so.
- 4 To be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company 48 hours before the time of the meeting (or, in the event of any adjournment, 48 hours before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
- 5 As at 26<sup>th</sup> April 2023 (being the last business day prior to the publication of this Notice) the Company's issued share capital comprised 36,790,447 ordinary shares, carrying one vote each so the total voting rights in the Company as at 26<sup>th</sup> April 2023 is 36,790,447.
- To appoint a proxy or to give or amend an instruction to a previously appointed proxy via the CREST system, the CREST message must be received by the Company's agent 7RA11 no later than 48 hours before the time of the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message. After this time any change of instructions to a proxy appointed through CREST should be communicated to the proxy by other means. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed voting service providers should contact their CREST sponsor or voting service providers for assistance with appointing proxies via CREST. For further information on CREST procedures, limitations and system timings please refer to the CREST manual. The Company may treat as invalid a proxy appointment sent through CREST in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.
- In order to facilitate voting by corporate representatives at the meeting, arrangements will be put in place at the meeting so that (i) if a corporate shareholder has appointed the chairman of the meeting as its corporate representative to vote on a poll in accordance with the directions of all the other corporate representatives for that shareholder at the meeting, then on a poll those corporate representatives will give voting directions to the chairman and the chairman will vote (or withhold a vote) as corporate representative in accordance with those directions; and (ii) if more than one corporate representative for the same corporate shareholder attends the meeting (subject always to the provisions of Section A) but the corporate shareholder has not appointed the chairman of the meeting as its corporate representatives who attend, who will vote on a poll and the other corporate representatives will give voting directions to that designated corporate representative.

#### **Explanatory notes to the Resolutions**

#### **Resolution 1: Annual report and accounts**

The Directors must present the Company's annual accounts and Directors' and auditors' reports to shareholders at a general meeting. Those to be presented at the AGM are in respect of the year ended 31<sup>st</sup> December 2022. The annual accounts (which contain the Directors' and auditors' reports) are available on the Company's website: www.pennantplc.co.uk.

### **Resolution 2: Election of Director**

Michael Brinson is required to retire under the Articles, having been appointed as a Director since the last AGM, and offers himself for election as a Director.

#### **Resolution 3: Election of Director**

Deborah Wilkinson is required to retire under the Articles, having been appointed as a Director since the last AGM, and offers herself for election as a Director.

# **Resolution 4: Re-election of Director**

Philip Cotton is required to retire under the Articles as, upon the AGM date, he will have served more than three years since his last election, and offers himself for re-election as a Director.

#### **Resolution 5: Re-election of Director**

David Clements is required to retire under the Articles as, upon the AGM date, he will have served more than three years since his last election, and offers himself for re-election as a Director.

### Resolutions 6 and 7: Reappointment and remuneration of auditors

The Company is required to appoint auditors at each general meeting at which its annual accounts and reports are presented to shareholders. Therefore, Resolution 6 proposes the reappointment of Mazars LLP as auditors (to hold office until the next such meeting), and, in accordance with normal practice. Resolution 7 authorises the Directors to determine the auditors' remuneration.

#### **Resolution 8: Authority to allot shares**

Generally, the Directors may only allot shares in the Company (or grant rights to subscribe for, or to convert any security into, shares in the Company) if they have been authorised to do so by shareholders in general meeting.

Resolution 8 renews a similar authority given at last year's AGM which, if passed, will authorise the Directors to allot shares in the Company (and to grant such rights) up to an aggregate nominal amount of £613,174 (which represents approximately one-third of the issued ordinary share capital of the Company as at 26<sup>th</sup> April 2023, being the last practicable date before the publication of this document). If given, this authority will expire at the conclusion of the Company's 2024 AGM or on 7<sup>th</sup> September 2024 (whichever is the earlier). It is the Directors' intention to renew this authority each year.

### **Resolution 9: Buyback authority**

Resolution 9, proposed as a special resolution, renews a similar authority given at last year's AGM.

If passed, it will allow the Company to purchase up to 5,518,567 ordinary shares in the market (which represents approximately 15 per cent of the issued ordinary share capital of the Company as at 26<sup>th</sup> April 2023, being the last practicable date before the publication of this document). The minimum and maximum prices for such a purchase are set out in the resolution. If given, this authority will expire (unless renewed, varied or revoked) at the conclusion of the Company's 2024 AGM or 7<sup>th</sup> September 2024 which is earlier.

It is the Directors' intention to renew this authority each year. The Directors are not permitted to use the authority if its use would result in a shareholder being required to undertake a mandatory offer for the Company under the provisions of Rule 9 of the City Code on Takeovers and Mergers.

# Resolution 10: Disapplication of pre-emption rights (unrestricted basis)

If the Directors wish to allot new shares or other equity securities (within the meaning of section 560 of the Companies Act 2006 (the "**Act**")) for cash then under the Act they must first offer such shares or securities to shareholders in proportion to their existing holdings. These statutory pre-emption rights may be disapplied by shareholders.

Resolution 10 which will be proposed as a special resolution, renews a similar power given at previous years' AGMs and, if passed, will enable the Directors to allot equity securities for cash without having to comply with statutory pre-emption rights.

This power will be limited to allotments up to an aggregate nominal amount of £91,976, representing approximately 5% of the issued ordinary share capital of the Company.

If given, this authority will expire at the end of the Company's 2024 AGM or on 7<sup>th</sup> September 2024 (whichever is the earlier). It is the Directors' intention to renew this authority each year.

# Resolution 11: Disapplication of pre-emption rights (acquisition basis)

In addition to the authority for disapplication of pre-emption rights set out at Resolution 10 above, in accordance with the guidance of the Pre-Emption Group, the Directors seek an additional authority to allot ordinary shares for cash without first being required to offer such shares to existing shareholders pursuant to section 561 of the Companies Act 2006 and the Company's Articles of Association for a further £183,952 nominal amount of ordinary shares representing approximately 10% of the issued share capital of the Company as at the date hereof. This allotment authority is only to be used for an acquisition or other capital investment of a kind contemplated by the Pre-Emption Group. It is proposed by special resolution that this authority be given for the same period as the authority under Resolution 10.

The maximum aggregate amount of equity securities capable of allotment free of pre-emption rights further to this Resolution and Resolution 10 would therefore be approximately 15% of the issued ordinary share capital of the Company.

All numbers and percentages stated above have been calculated by reference to the issued ordinary share capital of the Company as at 26<sup>th</sup> April 2023, being the last business day before the date of this Notice.

#### Recommendation

The Directors believe that the proposals set out in this Notice are in the best interests of the shareholders as a whole. Accordingly, they unanimously recommend that you vote in favour of these resolutions, as they intend to do in respect of their own beneficial shareholdings.
